

Dallas Learning Center

1021 Newberry Dr., Suite 1 • Richardson, TX 75080-4913 • 972-231-3723

To Whom It May Concern:

All requests for transcripts for students enrolled in the Dallas Learning Center should be directed to the University of Nebraska-Lincoln's (UNL) Independent Study High School (ISHS).

The Dallas Learning Center is a tutorial service. All students who attend the DLC are enrolled in the UNL Independent Study High School degree program; therefore, all official academic records, including transcripts, are available only through UNL's ISHS division.

The University of Nebraska-Lincoln's ISHS degree is fully accredited by the North Central Association Commission on Accreditation and School Improvement (NCACASI) and the Nebraska Department of Education.

Neither the Dallas Learning Center nor the University of Nebraska-Lincoln require health records.

Enclosed is a form which can be used to request records from the UNL ISHS. Please note that regardless of the form used to request records from UNL, the form must be signed by a parent for UNL to process the request.

If you have any questions or need any assistance, please feel free to call.

Sincerely,

Kathleen Herrin-Kinard
Director
